

BCCWC Community Service Proposal

Mission Statement: BCCWC provides funds and charitable services to the community while promoting social and personal growth to its members. It is a non-profit, non-political and non-sectarian group.

Volunteering & Community Service BCCWC members volunteer their time to activities that provide clothing, food and shelter to those in need and programs that encourage the well being of the members of Brown County.

Proposed Community Service Opportunity: Title of Project

How does this activity meet the mission of the BCCWC?

How will this purpose be accomplished? What activities would be done for the community project? When, where, and how often will we those activities be done? How many hours are anticipated to accomplish this?

Who will these activities benefit?

Will this project have a community partner? Who are the contact people with whom co-chairs will work?

What funds will be necessary for this project? What are possible sources of funding?

What will be the responsibilities of chairs? Of members?

What publicity would be desired for this activity?

How might the Community Service Directors be of assistance to in this project?
