Ladies' Day Out - Fall Planting Class at Mayflower Greenhouse

746 Airport Dr., Oneida 869-2045

Thursday, September 16, 2-4PM

Are your summer planters starting to look a little past their prime? Need some new ideas to transition from summer to fall? Join other BCCWC members at Mayflower Greenhouse for our 4th BCCWC "Fall Planting Class", at a time reserved just for us! Your \$10 registration fee will be applied to any plants you purchase to use in your container that afternoon. You can bring your own container or purchase from a variety of containers there.

Mayflower staff will be available to help with design and construction. The greenhouse is beautiful for the fall season, filled with kale, mums, ornamental peppers, rudbeckia, fountain grass, coleus - all you need to

transition your yard from summer to fall. It will be a lovely way to start out your Fall Packer/football/hiking-in-the-woods season. The afternoon will include cider, snacks, great conversation and a beautiful planter to decorate your yard. What a fun way to welcome fall in Wisconsin! (For the safety of everyone, including an unvaccinated child who lives on the premises, masks are strongly encouraged for anyone not vaccinated.)

BCCWC no-refund policy applies
