**A MESSAGE FROM BCCWC PRESIDENT**

As we enter the "giving" months, let us consider how each of us can be a blessing to someone in need. The November meeting finds us signing up for the Christmas families, shelter meals, the Fort Howard Apartments luncheon and various collections for those less fortunate in our community.

Our motto, "If everyone does a little, no one has to do a lot" might be edited to include the word "more" after little and a lot so that our outreach is even greater than usual. How might you make a difference during this time of thanksgiving? While the days are shorter, the need is greater.

Thanksgiving is one of my favorite holidays since it is about family, friends, food and football. May yours be all that you hope it to be.

Sue Sinclair, President

**WISHING YOU ALL GOOD HEALTH**

In one study, older adults who enjoyed leisure activities with others or volunteered were up to 17 percent more likely to maintain excellent physical, mental, and cognitive health than those who skipped such activities. Charity work, or doing games, gardening, or hobbies with others contributed most.

Twelve festive wreaths are in various stages of progress by 6 artistic BCCWC members. These wreaths will be donated to Ribbon of Hope, who will distribute them to families dealing with cancer, in time for the holidays. The wreaths will be displayed in the windows of the old Younkers store on Washington St. beginning **Friday, November 17** through the end of November. *They will be taken down and delivered to the families on Friday, December 1.*

Wreaths are designed and donated by many local organizations and businesses. Look for the 12 created and designed by BCCWC members, including "Frosty and Friend", "Sno Cute" and "Winterland Wonder". Be sure to check them out when you're doing your holiday sightseeing downtown.

## BUILDING QUILTS FOR HABITAT FOR HUMANITY

Eight years ago, our quilting group was started. We have 2 meetings a year - May and October. Forty-six quilts have been presented to new Habitat for Humanity homeowners. Two staff members of Habitat for Humanity explained their roles and the criteria that applicants are required to have to obtain a Habitat home. The staff members remarked, *"The quilts have always meant a lot to the team and the families; however, after the meeting today they are 10x more special. You could feel the love in the room today and that was amazing!!"*

Our wonderful volunteer machine quilter was also at the meeting. She makes everything come together:

*Front of quilt, created by one of our quilters*

*Back of quilt, thanks to our volunteer quilter*

## SMILE BOUQUET

A BIG thank you to the ladies who helped make 57 beautiful flower arrangements at a recent Smile Bouquet project. Delivered to Clarity Care were 25 bouquets - clients were outside on picnic tables waiting for us, clapping and full of excitement. It was so much fun and gratifying. Also, 32 bouquets were delivered to residents at 2 facilities of Century Ridge Assisted Living in Bellevue. To date, we have made 266 bouquets and delivered them to 10 different facilities throughout the area.

Thank you all for supporting this worthwhile project and for bringing smiles to so many.

## CARD & GAME DAY FUNDRAISER

On warm Wisconsin fall day, more than 200+ game-loving people joined the festivities at Riverside Ballroom for the fall Card & Game Day Fundraiser on Wednesday, October 25. Colorful decorations brought fall inside, fabulous raffle prizes, a new \$5 grab bag, along with the "sip and surprise", 50/50 and Money Tree raffles enticed party-goers to join in the fun. The Yum Yum Shoppe was, as always, filled with tempting treats to take home. Lunch was chicken cordon bleu with vegetables and Riverside's famous knee caps for dessert. Of course, the initial socializing was followed by a variety of games in the afternoon.

One of the BCCWC's major fundraisers, the event was a huge success! A big thank you to everyone who contributed to the event and especially everyone who attended. Mark your calendars now for the spring event, **April 24, 2024.**

## WINTER PLANTER CLASS - MAYFLOWER

After you see the creation of a winter planter at the November meeting, you may want to build one of your own. If you are interested in gathering at Mayflower Greenhouse on **Thursday, November 30** in the afternoon to "build your own", please contact Nancy Daniels. You are welcome to invite a friend, too. You can bring a pot you already own, or you can purchase one there. Mayflower will have all the greenery and extra things that you will want to use. You can also bring along decorative touches that you want to use that you already own. There is no charge, other than for whatever supplies you purchase there in making your planter (or decorating a wreath). A minimum of 10 participants is needed to do this. It will likely take 1-2 hours.

*Welcome in the holiday season with a festive planter*

*Creations made by BCCWC members at a similar event a few years ago*

Nancy Daniels (471-6689) [danielsna@aol.com](mailto:danielsna@aol.com)

## FALL PLANTING CLASS

On the last of the unseasonably warm October afternoons, BCCWC ladies met at Mayflower Greenhouse to create beautiful fall planters. Using kale, cabbage, hydrangeas and lots of other fall beauties, they each created a beautiful planter to transition into fall.

Always a fun time, in less than 2 hours, each went home with a special planter to welcome in the fall season!

*Showing off their beautiful creations - Peggy Olsen, guest Liz Wilson, Wendy Swiatnicki, Mary Schroeder, Jacquie Murphy and Nancy Daniels. (Missing - Margaret Georgia, who had to leave early with her special planter.)*
