### **A MESSAGE FROM BCCWC PRESIDENT**

February is a time when nature seems to take a pause and let us travel a slower and cozier path through our days. People mindfully increase their awareness of selecting time to sit with a cup of hot chocolate, coffee or tea while reading a good book or gazing out the window at the white blanket covering the ground.

The Chickadee, our bird of the month for February, shows us how he survives and thrives in winter. By exhibiting resilience and championing camaraderie amidst the challenges faced with changing weather, he flits about daily seeking food, shelter, and the joy of being in flight. Soon he is joined by fellow birds engaging in the same wintry activity. The Chickadee reminds us of hope and renewal sustained through the activity of this wintry month.

Looking at the collections taking place in February, I see how we, like the Chickadee, are keeping alive the sentiments of hope and renewal. Our BCCWC “Cheery Notes to Seniors” and “Lovable Misfits” are guaranteed to bring comfort, hope, and positivity into the lives of recipients.

Jeanne Lefebvre, President

## **MEETINGS REMINDER**

Two guests and 120 members attended our January meeting. Robin Hayes gave a great presentation on ways to declutter your home that were easy and not overwhelming. She gave several concrete examples of things that could be done in a small amount of time to make things better for the way we live now.

Our next meeting will be **February 18**, at the De Pere Community Center, 600 Grant St., De Pere.

Social - 12Noon

Program - 1PM

## **BROWN COUNTY COMMUNITY AWARDS**

BCCWC is proud to announce that it awarded \$53,500 in Community Awards at the end of the fiscal year, providing financial assistance to more than 50 different organizations. All the recipients improve the quality of life in some way for people in Brown County. The list of awards is in the 2025-26 membership directory. Kudos to BCCWC, Inc.

*Green Bay Area Crime Stoppers* is a BCCWC 2025 Community Award recipient. It is a non-profit organization operated by a volunteer board of directors made up of people from the local community. They encourage the reporting of information or leads which can assist law enforcement with solving crimes.

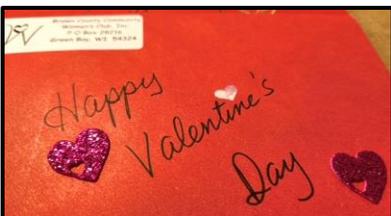

Their goal is to help in the fight against crime, but they are not part of any police agency. Tipsters remain anonymous and are eligible to receive a cash reward if the information given leads to an arrest.

*Crime Stoppers* relies on volunteer board members and tax-deductible contributions from the public to operate the administration of the program.

January donations went to the Hope Center Pantry. Collected were 25 beautiful birthday bags and a truckload of groceries. During 2025, 4,897 Brown County residents visited the pantry. ### **ST. JOHN'S MINISTRIES - HOMELESS SHELTERS' MEALS**

On **Thursday, February 5**, we serve our next meals at the Men's Shelter on St. John's St. and the Women's Shelter, 700 E. Walnut St. There were wonderful sign-ups after the last meeting with nearly all the food we needed. However, the numbers at the shelters have increased since then, so our need is now greater.

Still needed:

**Men's Shelter:** 2 large hot vegetable dishes, 1 large salad with dressing on the side

**Women's Shelter:** 1 party-size lasagna, 2 large hot vegetable dishes, 1 large juice

If you can take any of this food to either of the shelters, contact Mary Kay or Jan. Food can be delivered to the shelters between 5-5:20 PM. Servers should arrive by 5:15 PM. Follow the parking guidelines on the handouts from the meeting or call co-chairs for directions. Our generous members who donate such delicious, large meals to both shelters are appreciated. In this weather, the guests are *especially* grateful also. Questions? Contact:

It will be held at our **March 18** meeting from 10:30AM-12:30PM in the parking lot at the De Pere Community Center. We will be collecting spring clothing items, such as spring jackets, raingear, and tennis shoes for the ladies at Wellspring. Please refer to the March newsletter for an updated list of items needed.

### **HSHS ST. VINCENT CHILDREN'S HOSPITAL - CHILD LIFE DEPARTMENT**

Sincere appreciation for the past and continued support of the children at HSHS St. Vincent Children's Hospital. Your kindness has brought comfort, smiles, and joy to these children and their families. It truly does make a difference.

We are continuing to collect stuffed animals and colorful, latex-free, character band-aids for the children. There is a constant and ongoing need for each of these items.

**BUILDING QUILTS FOR HABITAT FOR HUMANITY** - It's our 10th Anniversary!

*Since February 18, 2016, 66 quilts have been given to new Habitat for Humanity homeowners.*

The requirements for a family to acquire a home through Greater Green Bay Habitat for Humanity:

- Need for Improved Housing: Based on current housing conditions, there must be a demonstrated need to qualify for a Habitat home.
- Ability to Pay: In the Homeownership Program, applicants are applying to purchase a home.

Applicants must fall within 30-80% of Brown County's Area Median Income (AMI), based on family size and have a reliable source of income (employment, SSI, etc.) to pay an affordable, interest-free mortgage.

- Willingness to Partner: Must be willing to complete 250-500 volunteer hours building their home, be a community partner, and represent Habitat for Humanity in a positive manner within the community.

The requirements for a lap-size quilt presented to a new homeowner by BCCWC:

- Lap-size quilt: approximately 53 x 57 inches (like a living room throw).
- Must contain a picture of a house, either imprinted on fabric or from a pattern.
- Complete the quilt top and supply the backing material which should be 4 inches bigger on each side than the top. (No need to supply batting)

Machine Quilting will be done for you: Gina Reinardy, 664-6501, takes the quilt to Lynn Konitzer who, at no cost, machine quilts the Habitat quilts. After machine quilting, Gina returns the quilt to you.

Finishing the quilt: If desired, hand sewing of the binding will be done for you by volunteers.

The goal of Greater Green Bay Habitat for Humanity is to complete 15 homes a year. Thanks to the quilters, we have 13 completed quilts and 7 that are in various stages of completion. Because of that cushion, there is no pressure to finish a quilt. But we must continue making quilts so we don't lose ground.

It's an easy and fun project for anyone who enjoys making quilts.

*Meg Deem, Mary Schrickel and Pat Russo display their handsome quilts*

## ONE STITCH AT A TIME

The holidays are over and the days are still short, so click those needles and work those hooks to get a blanket made for those in need. The next collection will be at the spring luncheon in May. Wellspring and House of Hope will be happy with handmade or purchased blankets. Any questions, contact Jean or Pat. Thank you.

Pat Hearnden (217-3824 cell or 432-5871) & Jean Allgeyer (639-2980), Co-Chairs

## LOVABLE MISFITS

The collection in February for misfits will be *inside*. If you have fleece to donate or THREAD you no longer have use for, please bring it. Stuffing/fill is also needed. There currently is no need for gallon-size bags.

We currently are contacting groups to distribute 60 misfit/quilts kits. We are working on completing 60 more. Thank you for your continued support!

## SMILE BOUQUET

It's cold and dreary, but by the time April arrives it will be green. Daffodils and tulips will be poking upwards. A Smile Bouquet work day will provide the spring flower mood. *A meeting to put together small bouquets for one of our area nursing homes will take place shortly after Easter.* Next month's newsletter will have the date, time, and meeting location. Enjoy the sunny days when we have them and hope winter goes by fast.

We had a great exchange of books and puzzles at the November and January meetings. Keep up the good work! Many said you forgot to bring your books and puzzles in January---well, now is your chance to get rid of that "clutter"! Everyone rushes to the book table at the meetings because they always find some kind of treasure. We will look forward to seeing your contribution.

## **BOOK CLUB**

Join the Monday, **February 2**, Book Club meeting, 1-2:30PM at the Green Bay East Branch Library where *James* by Percival Everett will be reviewed. *James* is a brilliant reimagining of Adventures of Huckleberry Finn—both harrowing and satirical—told from the enslaved Jim's point of view.

### Book Summary:

When Jim overhears that he is about to be sold to a man in New Orleans, separated from his wife and daughter forever, he runs away until he can formulate a plan. Meanwhile, Huck has faked his own death to escape his violent father. As all readers of American literature know, thus begins the dangerous and transcendent journey by raft down the Mississippi River toward the elusive and unreliable promise of the Free States and beyond.

The **March 2** meeting takes place at the Kress Family Branch Library in De Pere, reading *A Fever in the Heartland* by Timothy Egan.

Note: The May book is *Lessons from Lucy* by Dave Berry. There was a minor typo in the original book list.

Send Paula an email if you would like to be on the “official” email list. Members may bring friends, neighbors or family members. You may attend regularly or whenever time permits. Questions? Contact:
